# MineCarrier 1500/1700

Underground Personnel Carrier

A perfect combination of muscle and flexibility, Equipment North's MineCarrier 1500 and MineCarrier 1700 are all-around, high-performance mine utility vehicles.

*Built to meet Canadian mining standards and regulations.*

## ROCK-SOLID PERFORMANCE

Small enough to fit in most mine cages and fully ramp-certified, the Mine-Carrier 1500 and 1700 are simple, versatile solutions for transporting per-sonnel and gear throughout your mine.
